Dear Mr. Morisy,

This is in response to your 12 March 2013, Freedom of Information Act request for copies of contracts with Booz Allen Hamilton over the past 5 years. Any final reports generated and delivered by Booz Allen Hamilton to the agency over the past 5 years.

In your case, processing your request is complex because the records sought are voluminous over 11,000 contracts and it would be beneficial to narrow the scope to a specific Air Force Installation(s) you would like to inquire about. Simplifying your request might permit quicker processing time, per your request. Please give us whatever additional details you may have, so we can attempt to streamline the processing of your request. I do have a contract listing I would like to discuss with you to assist in this matter; I was not able to call you to discuss, since your request did not contain your phone number.

We are holding your request in abeyance until we receive your clarification. Please reference FOIA case 2013-02767-F in all correspondence. If we do not receive a reply within 10 days from the date of this letter, we will close this case file and you will need to initiate a new FOIA request for these documents.

If you have any questions, please call me at (703) 693-2579 to discuss this concern and reference FOIA case # 2013-02767F. I could call you to discuss this matter, since your request did not contain your phone number.

Sincerely,

DELLA MACIAS
